# Certificate of Approval for Installation Certificate of compliance

To whom it may concern,

This document serves as confirmation that our rooftop windows labeled V-X/B 43R-019861 are suitable for installation in various orientations. Notably, only when the hinges are directed forward after installation, these windows can be operated while the vehicle is in motion. There is however a speed limitation as follows:

- a) fully opened (60° position): 120 kmh
- b) half opened (30° position): 140 kmh
- c) fully closed (0° position): 160 kmh
